DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on 12/21/2007 is not fully responsive to the prior Office action because Applicant had elected cardiac infarction as the source of cerebral ischemia from claim 2 in the original reply filed on 03/30/2007 to the election/restriction mailed out on 01/30/2007; however, Applicant has cancelled cerebral ischemia from claim 2, which was the elected specie, and left a non-elected source of cerebral ischemia in claim 2, which is considered to be non-responsive.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
